HIGHER STUDIES—SANCTION—REQUEST FOR

741. Mr. P. Govinda Menon *(Ernakulam):* Will Government be pleased to furnish a copy of the petition from M. Parameswaran, clerk of the Medical Department, referred to in Government Order L. Dis. 21014/15, dated 10th June 1940 with a copy of the orders thereon?

Mr. C. J. Mathew *(Secretary to Government):* A copy of the petition and a copy of the Government Order are placed on the Council Table.

Copy of the petition, dated 3rd June 1940 from M. Parameswaran, Clerk,

Medical Department.

I beg to submit the following few lines for your sympathetic consideration and favourable orders.

I am the second clerk in the General Hospital, Ernakulam and have put in about twelve years of service. I have passed the Intermediate Examination of the Madras University, but could not continue the studies for financial reasons. I am anxious to complete the B. A. course. I belong to a poor Ezhuva family and I am not in a position to complete my B. A. without some help from the Government.

I understand that there is an order that leave of any kind with pay should not as a rule be granted for purposes of studies. According to this order I am not eligible for leave with pay, without which I would not be able to continue my collegiate course. I therefore pray that the Government may be pleased to allow me, as a special case, the leave that I am ordinarily entitled to under the Rules, for the prosecution of my studies.

If the Government think that the above request is not permissible I humbly request that I may kindly be allowed to attend the college without detriment to my work in the Hospital. The hours of attendance in the Hospital are from 8 to 11 in the morning and 4 to 5 in the evening. Since the college hours are from 10 a. m. to 4 p. m. a small concession allowing me to attend the Hospital in the morning from 7 to 10 instead of 8 to 11 would enable me to attend the College also, without in any way affecting my work in the Hospital.

Should the Government be pleased to grant me this small concession it would really be a great help not only to me but to my poor family as well.

MUSIC AND NEEDLE MISTRESSES

743. Mr. Paramel Ipe Ipe *(Kunnamkulam):* Will Government be pleased to state.—

(*a*) whether there are not other specialists namely music and needle mistresses who do not possess the minimum literary qualification like the Quran teachers;

(*b*) when should the Quran teachers come to school and when can they leave the school;

(*c*) what is their daily time of work;

(*d*) if any teacher is absent should not the Quran teachers work in that class in the place of the absent teacher;

(*e*) should not the Quran teachers also pass the special examination prescribed by the Government like other specialists without the minimum qualification?

Rao Sahib I. N. Menon *(Director of Public Instruction):* (*a*) There are at present a few among the Music and Needle work Mistresses who do not possess the minimum literary qualifications, but they were appointed before minimum literary qualifications were prescribed for such teachers.
